Because it's ChildLife® – safety, quality and environmental sustainability are built in:

- Quality lumber. Only from mills that meet or exceed the standards set forth by the FSC*
- Larger lumber. Better construction than comparable playsets.
- Meets all ASTM requirements for quality and safety.
- Recessed & capped hardware.
- Dacromet coated hardware to prevent rust.
- Specially formulated, non-toxic, water based stain/sealant; protects the playset for years to come.
- 10-Year Limited Warranty.

- Larger, 22 Sq. ft. Deck
- Taller, 52" Deck Height
- Taller, 81" Swing Beam
- 10' 3" Total Height
- 16' 9" Wide X 16' 6" Deep (See above)
